

” PAYMENT REFERENCING SYSTEM

The Lesotho Revenue Authority has introduced a payment referencing portal to assist clients in generating a reference to present at the bank when making payments to LRA's accounts. This reference is now a requirement and payments cannot be initiated without it.

Follow these steps to generate a payment reference number

- ✓ **Go to eservices.lra.org.ls/paymentref**
- ✓ **Enter your TIN**
- ✓ **Confirm legal name**
- ✓ **Select tax type**
- ✓ **Select the payment period**
- ✓ **Select your commercial bank**
- ✓ **Enter your cell phone number**
- ✓ **Click on “Create Reference” then**
- ✓ **Select “print” or “sms” the reference number**

It is important to ensure that all payments made to LRA through the bank bear proper references.
